Setup

1 Connect the antennas

- 1 Place the antenna squarely over the antenna terminal in the upper-left or upper-right corner of the rear panel.
- 2 Turn the antenna clockwise until it is fully connected. Do not over tighten.
- 3 Rotate the antenna upwards for the best possible reception.

NOTE

The antennas are required for both Bluetooth and Wi-Fi functions.

Optional

If you are connecting PMA-900HNE to a wired network, connect an Ethernet cable (not included) between the amplifier and your router. Do not connect the Ethernet cable if you are connecting the amplifier to a wireless network.

2

Connect your speakers

Connect your speaker cables between the PMA-900HNE and your speakers.

3 Connect to power
